

## Description

Leon's Horizon HzOTO MCA powered soundbar is designed to complement today's thinnest TVs while providing high-performance audio in the slimmest possible enclosure. Powered by the OTO MCA 200 amplifier, the HzOTO-MCA delivers up to 150W per channel of uncompromising, distortion free audio to bring your music, movies, and television to life with stunning realism. And with a custom grill to match the exact width of any display, the HzOTO-MCA creates a unified design aesthetic that can be seamlessly integrated into any space.

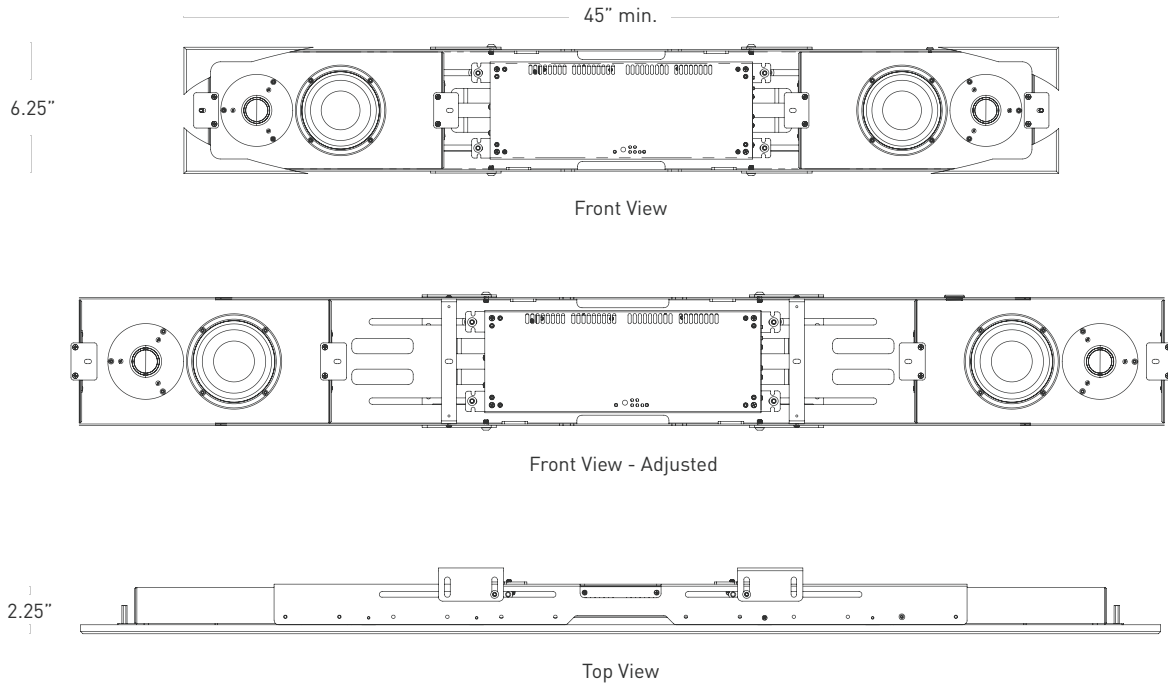

Recommended with A8-200

## Key Features

- 4" ultra-thin, audiophile-grade woofers and 1" silk-dome tweeters provide extreme precision and musical detail
- 2.75" depth (without mounting bracket ) perfectly complements any ultra-thin TV
- Includes custom, hand-stretched grill to match the width of display
- Includes OTO MCA 200 modular control amplifier
- Adjustable width accommodates TV displays up to 96"
- Easily mounts above or below any TV, or directly to the wall with Leon's exclusive mounting brackets
- Handcrafted in the USA
