## ON-WALL 3.0

## MINI SAT SOUNDBAR

### ON-WALL 3.0

Triad's Mini Sat Soundbar integrates seamlessly with shallow televisions requiring more audio power and precision. With three discrete 4" drivers, these sleek, compact speakers deliver high-resolution sound to complement today's high-resolution video content. Combine exceptional audio and aesthetics with custom designs—offering lengths to match your television and custom finishes to match walls, millwork, and other décor.

With high-performance one-, two-, and three-channel versions, the Mini Sat Soundbar produces authentic front-channel audio with low distortion and is voice matched for consistent sound. Pair with a Triad Omnisub and additional sat/surround speakers for complete surround sound.

In an industry of generic, mass-produced products, Triad soundbars combine craftsmanship and customization, preparing products according to every order. Each speaker is handcrafted with proprietary drivers and a fully damped, braced enclosure for authoritative, intricate playback. Providing subtle elegance while retaining the integrity of sound, Triad soundbars take your movie experience to a new level.
