

CONTROL4 AUXILIARY KEYPAD, CONTEMPORARY

CONTROL4® C4-KA-C

Control4's new Contemporary Lighting is designed to elevate lighting control and aesthetics. With a beautiful design that suits the smart home of today, Contemporary Lighting gives you a new industrial design that customers will love.

This economical solution for three-way control of a load uses existing in-wall three-way wiring to wire directly to any compatible Control4 Dimmer, Switch, or Fan Speed Controller. Available in 10 stylish colors and finishes. 120V/277V.

Faceplates are not included—remember to order faceplates separately.

- Provides full control of the load attached to the associated Dimmer, Switch, or Fan Speed Controller
- Communicates directly with the load-control device over the existing 3-way wiring
- Use up to ten Auxiliary Keypads with a single load-control device
- Capable of controlling the load even without the automation system in place
- Elegant, sophisticated design makes a beautiful addition to any home or business
- Available in a wide array of gloss and satin colors (see Available Colors)
