

Description

Pioneers of the soundbar category, Leon has been handcrafting our signature Horizon Series soundbars for over two decades. Custom built to match the width of any display, our performance line of Horizon soundbars combines a high-fidelity listening experience with a streamlined aesthetic—perfect for displays in smaller to midsize rooms throughout the home.

Recommended with Aaros A8-200, Detail Ds33

Key Features

- Custom built to match the exact width of any display
- 3" high-performance woofers and 1" cloth-dome tweeters provide extremely accurate sound reproduction
- Easily mounts above or below any TV, or directly to the wall with Leon's exclusive mounting brackets
- Available as Left/Center/Right, Left/Right, or Center-only channels
- Solid MDF construction, handcrafted in the USA
